Dear LGBCE,
I would like to support the proposed Benton & Forest Hall ward within your suggested boundries for North Tyneside.
I believe that the Benton & Forest Hall shares ["Shared sense of community", "Shared local groups", "Shared issues around Anti-social behaviour", "Shared amenities like schools, shops etc"]
I retract my previous comments as this is not a fair representation. I am a resident in Benton and have not been told about this or the council's proposed alternative for a Longebenton and Benton ward. This is not shown on this consultation. The LGBCEs proposal better reflects the local area and should be kept instead of the council's proposal, which completely splits existing links in the ward. Keep the LGBCE's proposal please. Thank you
Many thanks
