### Comment text:

Why are you keep putting Howdon up to middle of nowhere when very clear boundary was Churchill Street -Tynemouth Road???? NE28 7(formerly known as Ryton Gardens) belongs to Wallsend just like Holy Cross as those two neighbourhoods are JOINT and right next to each other!! Leave Ryton Gardens in Wallsend like it always has been!! I live here 11 years now and you keep changing the name and now want to change boundaries as well!
