Related subject: Limpsfield and Tatsfield

As a resident of Tatsfield I object to the proposal to establish a three councillor ward with Limpsfield, Titsey and Tatsfield. Tatsfield has always had a separate identity and deserves to have its own council representation, especially as the needs of a rural area like Tatsfield differ from the more urban area of Limpsfield. Tatsfield should retain its own representation which has worked well in the past to deliver a village with a strong identity and purpose.
