Related subject: New proposed wards in Tandridge

As a resident living in Stafford Road, CR3 our family is not happy at all with the new proposal of our road being included in Queen's Park ward which is part of Caterham Hill. Stafford Road is in the valley. The train line doesn't split the valley, it runs through. We shop in a valley, we use amenities of the valley and we would like to remain and vote in The Valley. Currently out polling station is 10-15 minutes walk. By being moved to Queen's Park ward we feel we will be cut off, lose connection with our councillor's and will stop us voting on potentially important matters as not everyone living in Stafford Road is driving and there is not a good public transport between Caterham Valley and Caterham Hill.
