Postcode: [REDACTED]  
Organisation Name: [REDACTED] (Member of the public)

## Comment text:

**Related subject:** Greetland and Stainland

Without seeing propped new boundaries its hard to comment but they seem logical as they are

However increasing number of councillors isn't a good move when our council tax is high and we don't get good services for the monies paid

Missed recycling /refuse collections

Poor highway maintenance, bus services removed ... the list goes on

It would be better to spend time and money on improved communications, contact availability within the council
