**Related subject:** Nash

I disagree with the proposals with regard to Nash as Nash and the surrounding villages have far more in common with Clee Hill than they do with Cleobury. We are a small hamlet and I do not feel any connection with Cleobury Mortimer what do ever, totally different demograph Nash PC set up an online poll for people to vote 'for or against' and the result was 100% against. Obviously councillors are voted on to the council to represent the views of the people in their area and everyone agrees... NO!!!!!!
