I'm happy with the proposed Electoral boundary for Worfield and Rudge area, this represents how i associate with Worfield and Rudge Parish. I live on the Hobbins which i feel must remain within the Worfield and Rudge Parish.

A recent survey that the Parish Council carried out as part of this review strongly demonstrated Residents support for keeping the Hobbins as part of Worfield and Rudge Parish and i strongly support this view.

Given that the electoral Boundary is the first step in the process of defining the Parish Boundaries i agree with the Electoral Boundary since there seems to be no significant change that would impact residents of the Hobbins area.
