## Comment text:

**Related subject:** Shawbury electoral division

Clive Parish Council is happy to see that the draft BCE proposals for Shawbury division do not include any changes with respect to Clive parish. As per the Parish Council's representation in the previous stage of the consultation, Clive Parish Council prefers to remain in Shawbury division and to maintain existing boundaries due to strong local connections and commonalities with the neighbouring rural parishes such as Grinshill within Shawbury division, and would not want to be moved into a more urban division. The Parish Council is not in a position to comment on the proposal to place Hadnall parish into the Tern electoral division, as it does not know what local opinion is re. this proposal. Therefore Clive Parish Council is supportive of the draft BCE proposals in so much as there are no proposals to change boundaries that directly impact Clive parish.
