Comment text:

I object to the parish of Nash being moved from Clee division into the Cleobury Mortimer division for local council representation on Shropshire Council.

The communities of Clee Hill, Nash and Burford are geographically close to each other, the proposed changes would mean that any local meetings would now be held more than 8 miles distant with no public transport links. This would disenfranchise certain members of the populace. Also requiring multiple car journeys, not a green solution!

There are also cultural, recreational and economic links between these villages therefore there should be a common representation at local government level to maintain community identity.
