Comment text:

We live in the Burnell ward which is now propped to be joined with Bishops Castle. There are no church links to Bishops Castle. There is no bus service between the two. There is no school catchment link either. The current Councillor is a resident of Church Pulverbatch and understands the way a rural area like Church Pulverbatch runs, as of 2025 the Shropshire councillor would be from Bishops Castle, 14 miles away. Why would urban Bayston Hill join rural Burnell, wouldn't it make sense to add another urban ward like Reabrook and Otley or Meole to Bayston Hill instead. 2 urban areas have more in common than with rural areas.
