Related subject: Radbrook

I disagree with the proposed changes to the Radbrook ward, specifically the move of Ryelands/Sandiway into Copthorne ward. Since the road closure (to cars) on Crowmeole Lane I have not been in Copthorne area, and it is a long way round to travel to get there, in comparison to Radbrook. Similarly, I frequently use the Radbrook Green shops/doctors, walk around the estate and feel more connected to Radbrook. It is also worth noting that Sandiway/Ryelands are the same side of the Rad brook as Radbrook estate. It would make more sense to draw the divide along the brook, with those on the hospital side being included in Copthorne.
