Related subject: Bayston Hill/Burnell

For the clear and detailed reasons given in the Labour Party response to the LGBCE's proposal for a two member seat, I do not support the LGBCE's proposed Burnell & Bayston Hill dual division. As outlined in the Labour Party's alternative Option 1 proposal on exceptional grounds, The Bayston Hill division should remain coterminous with the parish, with Burnell also keeping the same boundaries as present; both remaining as single divisions.
