Related subject: Nash Parish - Shropshire Review

I object to the parish of Nash being moved from Clee Division into Cleobury Mortimer division for local council representation on Shropshire Council.

Our family who live in Nash hold historical working heritage with Clee Hill and value present day community links with Clee Hill, utilising its school, shops, and community facilities, and Tenbury and Burford are the next extension to our community and local services with local shops, Banking, GP surgery, and leisure facilities. We have always felt that the Clee Division Councillor represents our farming family and community passionately and is approachable and accessible, and I would not feel the same representation from a Councillor in Cleobury Mortimer who is not local and whom is over 6 miles away.
