Proposed changes to Greencroft Parish for Maiden View community moving to Consett North makes no sense whatsoever. Maiden View postal address is Lanchester, it is less than 1 mile from the village centre, but is 5.4 miles South East of Consett!!!!

Boundary changes to incorporate newly built areas around Lanchester have been previously made to logically incorporate the local area into Lanchester Parish, so there is already relevant and compelling justification in this instance. St Bedes Court being a prime example.

All of the residents associate themselves to Lanchester, indeed several businesses in the village are run by residents.

We walk to Lanchester, we cannot walk to Consett!!!
