Dear sirs,

I fully support the Commissions proposals for the new North Lodge Ward in Chester - le - Street, County Durham. My name is [REDACTED] and although i do not live in the ward most of my social life and friends are based there. My reasons for supporting the proposals are as follows .

1. The area is a distinct community within Chester - le - Street and for many years has had a parish council;
2. The area is oriented more towards Newcastle, Gateshead and Washington than Durham City including transport links. In addition many residents shop in Birtley (adjoins North Lodge) and work in Newcastle, Gateshead, Birtley and Washington.
3. The wards boundaries are very clear, for example a road runs along the boundary between North Lodge Ward and Birtley Ward which is in Gateshead.
4. Finally, the area covered by North Lodge Ward is suburban and has little in common with the surrounding more rural villages.
