Pelton

Our proposed Pelton division is based upon the proposals made by the Joint Administration and the Labour Group, who both expanded the existing Pelton division to incorporate the Pelton Fell area. We were persuaded this area has strong links with the Pelton community and should therefore be placed in a Pelton division This proposed division was also supported by Ouston Parish Council, Pelton Parish Council and Urpeth Parish Council.

Ouston Parish Council work closely with UPC & PPC therefore we strongly agree with the proposals.
