## Comment text:

Dear Sir/Madam

At a meeting of Burnhope Parish Council held on 4th May 2023 consideration was given to the above draft recommendations.

In particular members considered the proposals for the Lanchester Division and to make it a one member ward. This was agreed as the way forward

With regard to adding Burnhope to the Division ward alongside Lanchester members were unanimous in supporting this idea. I can confirm that in recent years both Burnhope and Lanchester Parish Councils have worked closely together. Most notably on joint celebrations with Beacon Events to mark both the VE day celebrations and Her Majesty the Queens Platinum Jubilee.

Parish members are firmly of the opinion that by the addition of Burnhope to that of Lanchester it will provide Burnhope and its residents a very real sense of identity for the future.
