## Comment text:

**Related subject:** Snitterton

I am writing to encourage the Boundary Commission to reverse its decision to hive off Oker & Snitterton to Matlock West District Ward. I have lived in Snitterton for nearly 5 years and find that my loyalties and connections are with Oker, Darley Bridge & Wensley. As a member of St Helen's Darley Dale Church (part of a United Benefice with St Mary's South Darley and St John's Winster), I regularly meet people at all three churches and work together across the benefice.

Therefore I would urge the Boundary Commission to follow the parish/town boundary in this area, and not the district wards.
