Related subject: Oker and Snitterton

I believe that Oker and Snitterton should be included with South Darley rather than Matlock West District Ward. For over 40 years, my family and I have used South Darley School, St. Mary's church and Wensley Reading Rooms for group and social activities. In the past, I have served for many years on South Darley Parish Council and South Darley Village Hall committee. I live in rural Oker and believe this hamlet to be very different from Matlock so want the Boundary Commission to restore Oker and Snitterton to connect to the other local rural communities of Darley Bridge, Wensley etc.
