**Related subject:** South Darley Ward

I strongly disagree with the proposal to make Oker and Snitterton part of the new Matlock West ward. South Darley Parish Council has already successfully lobbied to retain Oker and Snitterton in South Darley Parish.

Wensley, Darley Bridge, Cross Green, Oker and Snitterton have strong community links with the Parish Church, South Darley School, South Darley Parish Hall and Wensley Reading Room. There is no logical connection between the rural hamlets of Snitterton and Oker and the new housing developments on the west side of Matlock. This proposal can only be a question of numbers and, if adopted, will be detrimental to our community.
