**Postcode:** [REDACTED]  
**Organisation Name:** (Member of the public)

## Comment text:

**Related subject:** Ripley

Would like to see west side of Ripley join the east side and create a singular Ripley ward, removing Codnor. When describing Ripley as a ward within the borough or county council, there is a lot of confusion among people as to what constitutes Ripley, a whole Ripley ward would erase this confusion and create cohesion, allowing for council members to better represent the town as a whole.
