

Essex

Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

The last thing we need is more councillors in Essex.
With all the problems facing us such as too much housing being built
before adequate roads, doctors, schools are provided.
I don't know who you are and by what authority you decide on 77
councillors. Plus boundary changes won't make any difference to
to the needs of the residents.
