**Related subject:** Netherton

Netherton should be grouped with Honley and Meltham as a ward, both places I go regularly and use the amenities in. Currently we are grouped with Crosland Moor and Thornton Lodge, I rarely go to Crosland Moor and I don't even know where Thornton Lodge is! (Moved here from down south, but been here 10y and a pretty involved citizen so to say I don't even know where it is probably shows there's not a great deal of connection with it locally!).
