## Comment text:

I believe that Netherton should be connected with Honley and Meltham ward. I say this because, I and many people, would think and describe Netherton as an extension of Honley. People of Netherton use local businesses of Honley and Meltham in a daily basis, I can say I have never needed to venture into Crossland Moor or Thornton Lodge. When I moved to the area it did not make sense to me that Netherton would be part of Crossland Moor and Thornton lodge.
