Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

We [REDACTED] are disappointed to hear that we are to be moved into the Southwick Ward. We consider ourselves to be part of Fulwell and have connections to this area including the local shops, schools and doctors. We think the boundary should be Newcastle Road not the railway line.

Please listen to our objections to being moved to the Southwick Ward and keep us in the Fulwell Ward

Regards

[REDACTED]
