Related subject: Hastings hill moving in with Pennywell

Hello

I have lived on Hastings Hill for the last 35 years and having heard that the council are proposing we are to be moved in with Pennywell i cannot understand this as there seems no point as what we have now works well.And what we say in industry is If its not broken don*t fix it !!

I can understand why the Boundary Commission are saying that Hastings Hill,Grindon,Thorney Close and Springwell should be one ward.

We share many common recreational areas which are easy to access as is the same for schools, churches and other community projects.The same can be said about public transport as we are well covered by numerous services as against crossing the very busy A 183 dual carriage.

As you can see i am totally against the Councils idea as it makes no sense.

Many thanks
