Dear Sir/madam,

I am contacting you about your proposals for Fulwell and Seaburn areas.

I live in South Bents and believe that the Commission's proposals north of the River generally but not the part between Seaburn and Roker Park and also to the west.

The boundary between Wards should be moved to along Browne rather than Side Cliffe Road.

Side Cliffe Road borders Roker Park, Roker Church and it would not be a good boundary between Roker and Fulwell. The park has always been well in to Roker.

I also believe that Newcastle Road is a good boundary, it would keep the Coniston Avenue and Kirkstone Avenue areas in Fulwell instead of

Southwick, which they do not share anything with , my friends up there hate the idea.

Best wishes, [REDACTED]
