I am 59yr old married woman, I have lived in Hollycarrside for 10yrs, I disagree with the boundary in Ryhope ward being moved to exclude Hollycarrside. I was born locally and for as long as I remember it has always been known as Ryhope. Asda Grangetown and leechmere industrial estate had always been the separation. To exclude Hollycarrside from Ryhope would split a small village with a close knit community. Hollycarrside has strong links to the rest of the village with generations of families sharing community groups and youth provision. Please don't separate us we are RYHOPE
