Comment text:

Dear Boundary Commission, with regards to the proposed boundary changes for Cairns Road.
I have lived in Fulwell all my life, 78 years , firstly 26 years [REDACTED] where I was born, then moved to [REDACTED] , 56 years , when I married. We use all the facilities in the village (Fulwell) as it was referred to then.
IE al the shops , community library, Blue Bell Pub , Mill View Social Club
If boundary changes are required, I cannot understand why they are needed in the first place,
then why not make Newcastle Road the boundary between Fulwell & Southwick, more sensible ,
and not the railway line as proposed

Yours Faithfully
