## Comment text:

Dear Boundary Commission,  
We have recently been made aware, by our local counsellor, of changes proposed to Sunderland ward boundaries.  
As residents of Fulwell we are unhappy to learn that the boundary to Fulwell will change to the railway line.  
We are residents of Haversham Park, Hilltops, Fulwell and strongly object to these proposed changes.  
The streets between Newcastle Road and the railway line are an integral part of Fulwell that share community facilities like Sea Road shops, Fulwell infants school, Monkwearmouth Academy and the Blue Bell pub instead of amenities west of Newcastle Road or in Southwick.  
In our opinion, the boundary between Fulwell and Southwick should be Newcastle Road, not the railway line.  
Please log this objection.
