Comment text:

I whole heartedly disagree with the proposals to move Hollycarrside from the Ryhope boundary. Residents in this area are and always have been part of Ryhope. Hollycarrside already seems to be overlooked a lot of the time particularly the area around Hewitt Avenue, Attlee Grove, Poplar Grove, the boxing club and allotments. Reducing the assets of the area by adding us on to Hendon, Grangetown ward simply isn't an option. We do not share any amenities with that area and amenities for young people would be restricted.
