Dear Sir/Madame,

I wish to object to the proposal to change the local council boundary at Hastings Hill and Grindon.

We have lived in our house at Hastings Hill for more than 52 years and our estate has always had a natural boundary (dual carriageway) between our area and Pennywell. We are in no way connected to Pennywell, whereas we share schools, bus routes and recreational areas with Grindon, Thorney Close and Springwell.

We feel there is no sensible reason to change the status quo.

Yours sincerely,
