Banbury Ruscote Boundry review It worth noting that there are parts of Warwick Road in different divisions, Banbury Hardwick that takes in parklands and nursery drive, Banbury Ruscote and Grimsbury and castle this should be consolidated into Banbury Ruscote. It's worth noting that Banbury rise development built by Bloor home which is currently 500 homes with 250 passed by Cherwell District Council near Withycombe farm noting this there will be little need for boundary extension including Broughton Road into roads like Crouch Hill .
