## Personal Details:

**Name:** Mr Tim Harman

**Email:** [REDACTED]

**Postcode:** [REDACTED]

**Organisation Name:** My own views (District or county councillor)

## Comment text:

**Related subject:** Prestbury and Swindon and Pittville and St Pauls

Hi

I am concerned that the new couplings break up important Communities and practical relationships

For example at present having Pittville and Prestbury linked reflects sensible relationships with regard to traffic and other issues arising from the impact of Cheltenham racecourse which both wards border.

Planning issues are also compatible.

As a Cheltonian I do not believe that the proposals enhance the community and feels like change for the sake of change
