I wish to add my support to the representation made by Gloucestershire County Council Conservative Group and, specifically, to their proposals which affect the current divisions of Campden Vale, Stow-on-the-Wold and Bourton-on-the-Water and Northleach. The proposals made are logical and sensible and will improve decision-making and representation, particularly in the areas of highways and infrastructure. I am also supportive of the two name change proposals for Campden Vale to North Cotswolds and Stow-on-the-Wold to Moreton and Stow. The proposed names remove geographic ambiguity and are more holistically appropriate for the two divisions.
