Hi

I live in Standhill which is just outside Little Haseley. Due to geography (a brook) I am in the Pyrton Parish. This simply makes no sense as we 9 miles from Pyrton. This causes problems such as :

1. All our planning permissions go through a Parish where, I suspect, no one has even heard of where we live.
2. When we vote we have to drive 20 miles roundtrip. This means that many do not bother.

Would it not make sense for our 4 houses to be included in either Great Haseley or Little Milton?

Thanks
