Related subject: Proposed Harwell and Valley Park Ward.

Please consider changing the name of the proposed Harwell and Valley Park Ward.

Valley Park is the marketing name used by the developer. At the moment it is all farmland with no geographic features to use as a name. However, the new parish council, which will include Valley Park and about 800 existing houses in Great Western Park is called "Western Valley". So please change the name of the ward to "Harwell and Western Valley",
