Postcode: [REDACTED]

Organisation Name: Forest of Dean Gymnastic Club - Trustee. (Member of the public)

## Comment text:

**Related subject:** Drybrook & Lydbrook (Berry Hill)

I feel that the Forest of Dean District Council is already too large in terms of the numbers of Councillors. We need to reduce the costs on local tax payers for local government, not increase them. More councillors means higher costs and not necessarily any improvement in a Councils efficiency and effectiveness. All we seem to get after each local election is more "hung" councils which lead to a lack of action and just more and more time discussing things.
