Related subject: District changes

Sadly this has only come to my attention today, this being so I'm not armed with much information. I'm very confused with the proposed district moves, it makes no sense? I'm at the bottom of Toadsmoor road, my community is very important to me and I've developed trust in my local councillors in the time I've lived here, 16 years. This feels and is quite a distance from Painswick& Bisley, I feel no connection and quite disappointed you want to spilt a parish in two? This makes me feel disconnected to my environment and hope you can make more considerate changes if need be?
