**Related subject:** Stroud and Painswick

I agree with the evidence submitted by Stroud Town Council in relation to the removal of Trinity Ward to add it to Bisley Painswick

By the same token I feel that the removal of Edge Ward of Painswick Parish Council from Bisley Painswick is equally ridiculous. I feel it would make more sense to remove Cranham Parish from Bisley Painswick Division and retain the whole of Painswick Parish.

Adding Cranham to the new Haresfield and Upton St Leonards Division would make more sense in my view
